World Market Media Launches Straight Talk on SmallCap

Tuesday, August 18, 2009 - 2:00 PM EST

PALM BEACH, FL – World Market Media (WMM) announces the launch of Straight Talk on SmallCap, an intuitive daily segment on small cap companies making bold moves in the US markets.

Ronald P. Russo, Jr., World Market Media's Founder & Social Equity Officer stated, "We are excited about our newest addition at WorldMarketMedia.com as it allows us to expand our audience and further educate our visitor's knowledge of small capital companies."

About Straight Talk on SmallCap

Straight Talk on SmallCap from the Editor's Desk at World Market Media! Know that when you come to this site you will get about 700 words on a SmallCap Company (normally in the \$50 - \$250 million market cap) so you can read something useful and informative about a company who moved on this particular day (or within 48 hours) which has a popular culture event or a useful analogy so you will remember the company. This site is Free and we are not paid by said companies.

About World Market Media

[WorldMarketMedia.com](#) is building a Global Social Media Network of all the World's securities exchanges and their various investment communities. The interlinking of these communities across one single multilingual platform provides users the ability to educate, engage and interact with one another within a truly Global Online Investment Community.
